New and Expanded Account Opportunities for You at Kearney Federal Credit Union

Open an Account for Your Trust

You can easily open an account to hold the funds of your trust at Kearney Federal Credit Union. Not only can we provide accounts for your revocable or irrevocable trusts, but if you so desire we can enter the full legal name of the trust into the new Contracts to indicate that the funds in the account are owned by your trust. We can also place your successor trustee or successor trustees on the account, and you as the trustee can conduct transactions on, use, change, and close the account just as easily as any other account you have at Kearney Federal Credit Union. Visit or contact us anytime during business hours for full details.

Place Agents on Accounts to Help You or Others

If you (or a family member) as an account owner need assistance with account transactions, you can now designate a person or persons to be an agent on the account who will be able to help the account owner conduct transactions. Typically agents are family members (children or siblings), but they can be friends or people appointed under a power of attorney as well. Under the new Contracts, an agent may assist an account owner with transactions on the account, but has no ownership or survivorship rights in the account. This allows the agent to help the account owner but not change the account owner's control over the account. You may now place up to two agents on any or all of your accounts with us, and may add, change or remove agents on your account as the need arises.

Open an Account for Your Business or Organization

If your business or organization qualifies for membership you can open an account for your business or organization as easily as opening your personal accounts at Kearney Federal Credit Union. Simply provide us with the documentation establishing your business and organization (corporation, partnership, sole proprietorship, church, club, association, etc.), and we can help you with accounts and account related services for your business or organization. Should you need to have multiple authorized persons access the account, we can place them on the account as either representatives or signers according to your instructions. You as the representative of the account can conduct transactions on, use, change, and close the account just as easily as any other account you have at Kearney Federal Credit Union. Visit or contact us anytime during business hours for full details.

Add Beneficiaries/POD Payees to Your Accounts with Ease

Add as many beneficiaries/POD payees as you need to your one owner or multiple owner accounts quickly and easily to help you with your planning. Our new Contracts allow you to add as many beneficiaries/POD payees on your accounts as you wish.

Open Accounts for Your Children or Grandchildren

Parents, grandparents aunts and uncles, you can open and own an account to hold the funds of your children, grandchildren, nieces and nephews with our Uniform Transfers to Minors accounts. The account is a one owner account owned by you as a custodian, in which you as the account owner-custodian hold funds for the exclusive right and benefit of a child. Though dividends/interest paid to the account are/is reported under the child's name and Social Security Number, you as the custodian are the owner of the account on behalf of the child, and are the only person who is entitled to conduct transactions on the account, change, and close the account.

Additionally, you can open accounts with your children, or with your permission and guidance you can encourage your children to open and use accounts and related services at Kearney Federal Credit Union. Visit or contact us anytime during business hours for full details.

Change Your Accounts with Ease

If you own an account by yourself you may change your account at any time simply by contacting us and completing a new Contract. If you own an account with another person anyone on the account may change the account at any time by contacting us and completing a new Contract, with the exception of ownership changes (which require all owners' consent). However, any owner may close an account by contacting us and following our close account procedures.
